Bangladesh has been hit by devastating floods this year. **Many people lost their lives and many lost their homes.**

Bangladesh is a country of roughly one fifth the size of Texas with more than 140 million people. While flood is almost an annual phenomenon, this year has been especially bad because of heavy monsoon.

Donations are tax-deductible and will be used for basic food, water purification, clothing, house reconstruction (post flood) etc:

Donations with **Credit Cards** Welcomed

SpaandanB is a 501(c)3 non-profit charitable organization that supports various education, health and development sector projects in Bangladesh.

Your donation WILL save lives. Money goes a long way in that part of the world - so every dollar counts!!

If you have any questions, or to volunteer, please email to spaandanb_austin@yahoo.com for more information.
