5	Rings	4 pcs	240.00
6	Miscellaneous	Labour Charges & Hardware	110.00
<b>Total Cost per Latrine</b>			<b>1,362.00</b>

**Comments:** The people are very poor, so providing the houses were a great help for them. Eight sanitary latrines are not enough for the cluster of locality, so in the next phase of rehabilitation project from ORCA fund few more latrines should be provided. There can be some income generating aids provided to the people.
