

Activity Report From Parchanga Health Clinic

Location: Parchanga, Comilla
Team: 9 doctors
Beneficiaries: Approximately **3,600 patients** in 10 visits

Description of activity:

The Parchanga Health Clinic is a free health clinic in Parchanga, Comilla. Doctors from Dhaka visit the clinic every week and provide service to the patients for free. The number of patients increased significantly after the floods. Most of the patients treated were suffering from various fevers, cold, diarrhea and severe form of skin diseases. Support for the doctors' visit and medicine for patients were provided by funds sent from SpaandanB.
