Dear Brother,
As Salamu Alaikum

Last Friday at 1600 hrs the Program was inaugurated by the Mr. Kamal Billah, UNO, Ulipur. A total of 20 rickshaws were distributed among the poor people of Ulipur Pouroshova. Initially we planned to distribute the rickshaws among the ORCA Palli resident to ensure their livelihood. But due to distance and fund collection we had to drop the idea.

The beneficiaries were really happy to get the opportunity to have their own rickshaws in a year. The UNO was very happy to learn ORCA activities in that area.

Initially the program was supposed to be inaugurated by Lt. COI Zahirul Islam, Joint Force commander, Kurigram. Due to sudden fertilizer crisis in a remote place of Kurigram he didn't attend the program.

I will upload the pictures very soon.
