

GULSHAN ARA SCHOOL:

Location:

147/H East Rajabazar
Dhaka - 1215
Bangladesh

Objective:

This school is providing free services to the kids of the nearby Garment Factory workers and nearby slum dwellers. The primary school has classes from Kindergarten to class V. This school is free and they provide tiffins to the attending kids. At present there are about 320 children enrolled. There are 9 paid teachers and 3 Voluntary teachers. After the children pass class V, school seeks sponsorship for individual children for Secondary education if they have ability and interest. It costs approximately Tk. 3000 per student per year. It includes tuition fees, costs of books etc. School committee is trying to fix one or two old computers and their plan is to teach some application software to few students, which will help them to get jobs in the Garment industry.

Budget:

It takes approximately Tk. 3000 per year per student. Our commitment for the year 2000 is Tk. 3000 X 8 = Tk. 24000. There are five donors for this project who are sponsoring these students.

Monitoring Procedures:

For the year 2000, we will support 8 students of this school. School committee will provide us with the student's biodata, annual progress reports and individual expenditure reports. We will send all the reports to the donors of these 8 needy students.
