Notes :

- 1 Out of 7947 patients treated, 205 patients were referred to DMCH, SDCH and other Centers for further treatment. Arrangements were made for surgical treatment like hernia, oral cancer, surgery, cleft lip and palate surgery, osteomyelitis and for various tumors.
- 2 Apart from the Doctors from Dhaka, some local volunteers work as support staffs.
- 3 The expenditure shown above was for medicine cost only. Doctors remuneration, Transports, entertainment of doctors and volunteers, care taker's salary etc were provided by the Parchanga Health Care Center.
- 4 From January 2010 the center is maintained by its own fund.
