Name of the project

EQUALITY FOR DISABLED PERSONS

Location

SHAW UNNAYAN
H- 40 Sagarpara
Rajshahi-6100
Bangladesh.

Brief background

Shaw Unnayan is a non-government, Non-Profit voluntary organization. The Organization was founded in July 1978. The main goal of the Organization in the initial phase was to prevent Lathyrism and rehabilitate lathyrism victims. The occurrence of lathyrism was the highest during the period 1971-1975. Shaw Unnayan had take appropriate measures to prevent further occurrence of the disease and at the same time tried to provide a meaningful support to the victim Since 1981 further occurrence of the disease has come to an end. Shaw Unnayan as a growing Organization from various program activities ranging from creation of social awareness to develop a strong institutional base. Social mobilization and community participation have been able to make its beneficiaries conscious about their life situation, environment and needed priorities.

Socio-economic (Slum area) Leprosy
Environment and Disability Problem.

Project aims and objectives

There are millions of people with Disabilities living in communities throughout Bangladesh who currently receive little or no assistance at all. All of these people with disabilities are left of the development process because their families and communities do not know about disability or what can be done to enable people with disabilities. If they achieve equal opportunities and full participants they must be included in the development process. Disabilities situation in Rajshahi city corporation all most the same.

Main cause of Disabilities: Increasing Birth rate, natural disaster, Polio, Accident Terrorism, etc.

Shaw Unnayan was Previously involved in the prevention of lathyrism through different field based Programs, currently S.U. aims to use similar methods to created awareness and educate the public about problem of disabilities in and around Rajshahi City Corporation .

Now. 31 registered Disable client under the project S.U. will work to included people with disabilities in main stream development using community approaches to handicap and Disability (CAHD). The specific objectives are as follows:

- a) Social Communication
- b) Primary rehabilitation therapy.
- c) Referral services
- d) Education

Action place:

The organization will under take and Implement the following programs in the project area during the proposed period.

- a) Awareness Program
- b) Home visit program
- c) Services to persons with disability
